

Application Checklist – Renewal Livestock

All forms and documents must be complete for your application to be reviewed, inspected, and a certification certificate issued. Incomplete applications will be placed on hold until missing documents are submitted. Call or email Baystate if you have any questions about the application forms.

STEP 1: Update Your Organic System Plan

- Update all pages of the Organic Farm Plan and Organic Livestock Plan and follow the Application Checklist – Renewal Grower for complete instructions.
- Sign and date the Affidavit section of the Organic Livestock Plan (the last page of the document).
- Submit an updated animal list for your herd with their IDs, birth dates, sources if purchased off-farm and stage of production.
- If you have purchased new livestock this year, provide the dates purchased, sources, proof of organic certification and stage of production.
- Complete and attach DMI worksheets for all animal groups.
